Combined Training & Dressage Jackpot
Sunday 24th June 2012

Well! What an absolutely FANTASTIC day!

After a few dubious days of weather we were blessed to have a weekend of Sunshine in Mernda. We had perfect weather for our event and even the wind stayed away, making the waiting game that goes along with events such as these a little easier to take!

I must say a HUGE THANKYOU to all our competitors for being patient whilst waiting for results. We are only a small club with a high percentage of multiple children families, making adult help a bit light on. This meant that for most of the day we only had one scorer and when there are 220 tests to score – well my fingers are a bit shorter today from all the data entry! Lucky like was made easier by our President who wrote our very own scoring package for the event. It worked beautifully and meant that we could post results a bit quicker. So Thanks Sam!!!

We had large numbers in quite a few sections so those on early had extra waiting time because some sections ran for just over two hours –thanks for hanging around for your presentations! Our BBQ crew did an amazing job turning out some yummy fare for our hungry customers, and our canteen staff kept up the flow of hot chips, dim sims and hot dogs. Well done guys – we all appreciated your efforts!

Thanks also to the Doolan family who came along and manned and judges our Showjumping arena for the day. You did a great job and the club is very appreciative that you gave us so much of your time. A special thanks must go to Mel Best, one of our instructors who came along and did everything from canteen, to scoring, to gear checking and everything in between. She also made sure that my own kids got to where they had to be and was “Surrogate Mum” for the day while I was stuck behind the desk. So a big Thankyou from me personally as well!

Thanks also to all our members and friends who stepped in and helped out with a variety of jobs during the day! Every bit of help makes the day run smoothly!

Last but not least, Thank-you to our competitors for coming along and competing and for supporting our club. Congratulations on your results. It was great to see so many littlies out doing their very best! We hope to see you all next year!

Before I go – photos from the day will be taken by Anita Collins will be on her website. Check out anitacollinsequinephotography.moonfruit.com
Anita tried to get photos of all competitors, so have a look!

Thanks once again.
I hope you enjoyed your day
